

# Game Instructions

Welcome to the Game! Below are some basic instructions to get started:

1. **Movement**: Use the arrow keys to move your character around the world.
2. **Interaction**: Press 'E' to interact with objects and NPCs.
3. **Inventory**: Open your inventory with 'I' to manage items.
4. **Combat**: Use the left mouse button to attack and the right mouse button to block.
5. **Objectives**: Press 'M' to view your current quest objectives.
6. **Map**: Press 'M' to bring up the map and find your next location.
7. **Save**: Always remember to save your progress before quitting the game.

Good luck and have fun!

Questions you might ask:

1. Where can I find the sword?
2. How do I upgrade my character?
3. Where is the next quest location?
4. What is the best strategy for defeating the boss?
